Kia is the newest and most exciting force of change in the automotive world and we are ready to change the way you feel and think about driving. We are transforming the idea of driving into an exhilarating experience for customers across the globe. With youthful and dynamic styling and the latest in advanced technologies, Kia cars are turning heads, the world over, with the power to surprise. From the Cerato to the Stinger, Kia offers a full lineup of models and looks that are not only practical and stylish but downright exhilarating to drive. Keep your eyes on Kia because our best has yet to come.

About Kia Motors Corporation

Kia Motors Corporation (www.kia.com) – a maker of quality vehicles for the young-at-heart – was founded in 1944 and is Korea’s oldest manufacturer of motor vehicles. Over 2.7 million Kia vehicles a year are produced at 14 manufacturing and assembly operations in five countries which are then sold and serviced through a network of distributors and dealers in almost 190 countries. Kia today has over 12,000 dealerships worldwide and an annual revenue of nearly US$47 billion. Kia Motors Corporation’s brand slogan – “The Power to Surprise” – represents the company’s global commitment to surprise the world by providing exciting and inspiring experiences that go beyond expectations.

DO IT IN STYLE
WITH EVERY DRIVE

With a brand new look and enhanced new features, the Kia Cerato is designed to help you stay stylish throughout the day, no matter how active your lifestyle gets.
FUN AND FUNCTION

The enticing silhouette of the Cerato extends from its long hood, under which its power is generated, to the spacious cabin, where there is ample legroom and headroom thanks to the gentle sweep of the roofline. Every day, you will find new possibilities to explore in a sedan that is built to go beyond.

A PERFECT BALANCE
The Cerato has the best of both worlds—a sporty character grounded in a nimble suspension and responsive drivetrain, coupled with the allure of a spacious, welcoming interior. Aerodynamic contours draw the eye from front to back, while its daring stance signals that it’s up for anything.
There are a number of stunning details you'll notice every time you return to your Cerato. The boldly shaped, aggressive headlamp housings. The intersection of the side contour and the front grille. And how the tail lamps seamlessly blend with the rear trunk lid spoiler. Every line on the Cerato contributes to its winning personality.
Simplicity is the key to the luxuriousness of the Cerato dashboard. The look is clean throughout, with driver information appearing sparingly on the instrument cluster and floating centre monitor. Metallic trim gives a sporty yet sophisticated touch, while sleek lines connect the turbine-inspired air vents at either side.
The technology at your fingertips is designed to encourage attentive driving habits. The extensive audio system features, for example, can be operated with just a few taps on the large touchscreen or steering-wheel controls. Wireless charging means that your mobile devices stay fully charged even on the go.

**RECHARGE**

**Console box & front tray USB chargers**
The console box allows you to keep personal items close at hand yet out of view, while handy USB chargers let you recharge devices on the go.

**Wireless smartphone charger**
Charge a compatible mobile phone wirelessly on the pad at the front of the centre console. An orange light indicates charging in progress; green indicates a full charge.

**8-inch infotainment system with Apple CarPlay and Android Auto connectivity (EX and GT Line only)**
The vivid 8” colour LCD touchscreen offers Apple CarPlay connectivity. It controls the audio system, while giving you access to a wide range of connectivity options. The screen also displays the view from the rear view camera, and provides dynamic guidelines to help you back gracefully into and out of parking spaces and driveways.

**4.2-inch supervision cluster**
Get crucial vehicle and driving information from this multi-tasking, multi-language screen positioned between the tachometer and the speedometer.
Sunroof (GT Line only)

Experience the refreshing sensation of open-top driving with the tilting and sliding, one-touch power sunroof. It opens and closes fully with one simple press of a finger.

Inside the roomy cabin of the Cerato you will find clean lines, supportive seats and surfaces that are pleasing to the touch. All models feature seat bolsters front and rear, while the rear seats offer ample space for two or three passengers to sit comfortably and stretch out.

COMFORT ZONE
WHEREVER YOU GO

Inside the roomy cabin of the Cerato you will find clean lines, supportive seats and surfaces that are pleasing to the touch. All models feature seat bolsters front and rear, while the rear seats offer ample space for two or three passengers to sit comfortably and stretch out.

COMFORT ZONE
WHEREVER YOU GO
SMART TRUNK (EX and GT Line only)

Shopping and transporting large items have never been easier thanks to the Smart Trunk. When your hands are full of bags, luggage or sporting gear, the trunk lid can be set so that it unlocks and opens automatically when the smart key is in the detection area for at least three seconds.

SMART KEY (EX and GT Line only)

The smart key fob allows you to not only remotely unlock the doors and trunk, but also start the engine of your Cerato with a simple push of a button on the dashboard.

SMALL TOUCHES THAT ADD UP

The appeal of the Cerato goes far beyond just style and comfort. Everywhere you look, you’ll notice details that are mindful of real-life situations. From the ease of getting in and out of the vehicle to the ergonomic controls at your fingertips, the Cerato helps you enjoy modern life to the fullest.

Air-ventilated front seats & seat warmers (GT Line only)

Air blowing out through the seat cushion and back saves you from the discomfort of excessively hot and sticky, heated seats. Heated seats ensure that both driver and front seat passenger are snug and warm even on the coldest days.

Power seats & lumbar support (GT Line only)

The 10-way power-assisted driver’s seat electrically adjusts so you can easily find your ideal driving position and store your setting using the integrated memory system (IMS). Power lumbar support controls are further fine-tuned for additional comfort and fatigue-free driving.

Integrated Memory System (IMS) (GT Line only)

IMS lets you save two different, personalized presets. Each one includes the driver’s seating position as well as the cluster display information.

Phenomenal rigidity with smarter materials

The Cerato boasts substantial torsional rigidity thanks to strategic application of hot-stamped steel and Advanced High-Strength Steel. The body resists twisting forces, so jolts are absorbed with precision. In the event of a collision, impact forces are managed in ways that better protect the occupant space.

THE SCIENCE
OF STAYING SAFE

Protecting people is our first priority at Kia. From its strengthened body structure to the 6-airbag system, the Cerato is dedicated to occupant protection. Powerful brakes help reduce stopping distance and time, while responsive suspension and steering systems help the driver to manoeuvre away from danger.

6 airbags (GT Line only)

To help protect occupants and potentially reduce injuries in the event of a collision, the Cerato includes a driver and front passenger airbags, two front-side airbags and available side-curtain airbags running the length of the interior on each side.

Electronic Stability Control (ESC)
Optimal braking performance and directional control are ensured by automatically delivering the right amount of braking force to each wheel based on evaluation of engine torque and driving circumstances.

Hill-Start Assist Control (HAC)
When you’re stopped on an incline, HAC can help prevent you from dangerously rolling backwards. When you take your foot off the brake, HAC will maintain braking for two more seconds before you press the accelerator, which disengages the HAC.

Anti-lock Braking System (ABS)
By continuously sensing wheel speeds, ABS detects when a wheel is going to lock, then modulates brake pressure to the wheel to help maintain control.

Hill-Start Assist Control (HAC)
When you’re stopped on an incline, HAC can help prevent you from dangerously rolling backwards. When you take your foot off the brake, HAC will maintain braking for two more seconds before you press the accelerator, which disengages the HAC.
Which features make the Cerato the ideal place to spend your commute? That’s entirely up to you. Choose the audio, convenience and automation options that reflect your definition of perfection. Make sure every minute you spend in the Cerato is quality time.

### Buttons start/stop with keyless entry system (EX and GT Line only)
This engine start/stop button lets you turn the ignition on and off with a simple press of a finger.

- 3.5-inch mono cluster (EX and GT Line only)
- Manual temperature control (EX and L only)
- Ventilation for 2nd row passengers (EX and GT Line only)
- High-mounted LED stop lamp (EX and GT Line only)
- Parking Distance Warning (PDW) (GT Line only)

### Audio/Entertainment
- Apple CarPlay and Android Auto (EX and GT Line only)
- Sound speaker
- Audio remote control (EX and GT Line only)
- Cruise control (EX and GT Line only)
- AUX & USB
- Electrochromic rear view mirror (GT Line only)
- LED rear room lamp (GT Line only)
- Sun visor illumination lamps (EX and GT Line only)
- LED overhead console lamp and sunglasses case (GT Line only)
- Auto light control
- Electric folding mirrors (EX and GT Line only)

### Interior Features
- 502ℓ cargo capacity
- 60:40 split folding seats
- Glove box
- Rear centre armrest with cup holders
- Floor console cup holders
- Front & rear door cup holders
SEATING CHOICES
COMFORTABLY STYLISH

Choose from soft, durable seating options, available in attractive fabric or leather. Each choice is designed to complement the contours and trim details of the Cerato’s interior, creating an inviting and relaxing cabin environment.

Cycle & Carriage Aftersales Service keeps your car in its prime

We care for you the same way we care for our family. Experience the Cycle & Carriage Kia spirit as we welcome you at our Kia Authorised Service Centres.

With more than a century in the automotive industry, we can assure you that you will enjoy the most comprehensive customer support and first-class service by well-trained professionals, using state-of-the-art technologies, diagnostic tools and Grade A genuine parts to keep your Kia vehicle running in peak condition. All Kia genuine parts come with 1 year or 20,000 km (whichever comes first) warranty.

This is our commitment to you.

Industry-leading warranty

We are confident of the quality and durability of every Kia vehicle, having undergone stringent pre-delivery processes and checks before being delivered in pristine condition. We are so confident that your new Kia car will enjoy a 5-year unlimited mileage warranty and a 10-year engine warranty.

From the date of registration, your new Kia car is covered against defects in materials and workmanship for a period of 5 years of factory unlimited mileage.

On top of that, starting from 1 June 2014, your Kia car will come with a 10-year engine warranty, subject to a maximum mileage of 200,000 km or 10 years, whichever is earlier. This engine warranty from Cycle & Carriage will take effect immediately, after the expiry of the manufacturer’s.
Kia Cerato Features

Wireless Smartphone Charger (GT Line only)

Smart Trunk System (GT Line and EX only)

Heated and ventilated front seats (GT Line only)
