

The Power to Surprise

Kia is the newest and most exciting force of change in the automotive world and we are ready to change the way you feel and think about driving. More than just a promise, we are committed to making driving a true pleasure for customers across the globe. With youthful and dynamic styling and the latest in advanced technologies, Kia cars are turning heads the world over with the power to surprise. From the Picanto to the Telluride, Kia offers a full lineup of sedans, SUVs and MPVs that are not only practical and stylish but downright exhilarating to drive. Keep your eyes on Kia because our best has yet to come.

About Kia Motors Corporation

Kia Motors (www.kia.com) is a maker of world-class quality vehicles for the young-at-heart. Founded in 1944, Kia today sells around 3 million vehicles a year in 190 countries, with more than 52,000 employees worldwide, annual revenues of over KRW 58 trillion (about US\$50 billion) and manufacturing facilities in six countries. Kia is spearheading the transition to electric vehicles and pursuing mobility services to help tackle urban challenges around the world. The company's brand slogan - "The Power to Surprise" - represents Kia's global commitment to surprise the world with exciting, inspiring experiences that go beyond expectations.

All-new SELTOS

Exceptional Journeys

The Power to Surprise

FLATTERINGLY STRIKING LOOKS

THE NEW SHAPE OF BOLDNESS

Outside, it's an eye-catching, dynamic compact SUV with muscular curves. Inside, it's an invigorating drive—and a comfortable, tech-savvy retreat. The new Kia Seltos checks all the boxes and then some.

BOLD DESIGN THAT CATCHES EVERY EYE

THE STRONG, SILENT TYPE THAT CAN ALSO ROAR

Athletic contours make Seltos look like it's ready to pounce. Refined details hint at a calm intelligence. The styling conveys strength and composure that come to life on the road.

**ELEGANT & COMFORTABLE
FUNCTIONALITY**

**FACE YOUR
NEXT ADVENTURE WITH
RELAXED REFINEMENT**

The spacious and welcoming interior combines a simple, intelligent driver interface with firm yet comfortable seating and tasteful appointments for everyone inside. A well-balanced suspension delivers a smooth ride. An available sunroof adds to the cabin's open feeling. The decor is sophisticated, but it can also be livened up with a variety of bold color treatments.

THE WORLD LOOKS BETTER FROM THE INSIDE

To minimize driver eye movement, displays are positioned at only slight angles from one another, and from the road ahead. But it's not just about the driver. This interior is designed to entertain everyone inside in true comfort.

60:40 split-folding rear seats

The rear seatbacks split 60:40 and fold flat to accommodate a variety of passenger and cargo combinations. When the seatbacks are folded flat, large, bulky items can be transported without obstructing the view out the rear glass.

Head-up display

The head-up display projects an image equivalent to an 8" screen onto the windshield, letting you monitor speed, remaining distance to empty, cruise control, and DRIVE WISE technology data, without looking away from the road.

7-inch TFT LCD supervision cluster

The supervision cluster helps you stay focused and informed, with data like remaining distance to empty and fuel consumption, navigation cues, and outside temperature.

10.25" touchscreen display (coming soon)

The wide, customizable 10.25" TFT LCD high-resolution display presents navigation and audio data, rear view monitor, and parking guidance, all at a glance.

Smartphone wireless charger

Charge a compatible mobile phone wirelessly on the pad in front of the gear selector.

6 theme choices

Party Time Traveling Midnight City Romance Cafe Hey! Yo!

Sound mood lighting system

Door surfaces glow with soothing colors that change at regular intervals, or pulsate in sync with your music.

6-speaker sound system

The advanced 6-speaker sound system creates full-bodied sound reproduction.

433-liter luggage capacity

The luggage board of the roomy cargo space can be set higher to conceal items, or lower to offer more cargo volume. A low-cut opening makes loading easy. The rear seat backs split 60/40 and fold forward, expanding the cargo area into the cabin.

TECHNOLOGY THAT MAKES US ALL LOOK GOOD

Sometimes the smartest solution is the simplest one. The Seltos offers a range of Kia DRIVE WISE technologies to help make driving safer and less stressful. They come into play when you're changing lanes on the motorway, maneuvering into a tight parking space, or backing out into the street. The technology in the Seltos is dedicated to keeping you focused and well informed, while it can even step in to help keep you out of danger.

— Parking Distance Warning (PDW)

To help you park safely and confidently, PDW employs ultrasonic sensors mounted on the bumpers and uses audible alerts, and visual warnings on the supervision cluster, to warn you of any vehicles or obstacles ahead of you or behind you that may be getting too close.

— Rear View Monitor (RVM)

Rear View Monitor with Parking Guidance gives you a live view of what's behind you. Lines superimposed on the image help you know how much space you have.

— Drive Mode Select (DMS)

The Seltos' DMS includes 3 modes, Normal, Eco, Sport that change the driving characteristics.

— Cruise control

Cruise control lets you choose a preferred speed to give your foot a rest on the open road. Lightly tapping the brakes, or pressing the cancel button, will restore Seltos to manual acceleration mode.

AN ALL-ROAD PERFORMER, A NATURAL BORN PROTECTOR

The Seltos has its priorities straight. Its technology gets you to your destination more vigorously and efficiently. It is also devoted to getting you there safely. The 1.4T with 7DCT engine comes in automatic transmissions for a responsive and precise drive, while its passive safety systems prioritize occupant protection.

7-speed DCT

Engine start button

Displacement (cc)	Gasoline 1.4 T-GDI 1,353
Max. power	140 ps
Max. torque	242 Nm
Mated transmission	7DCT

6 airbag system

To help protect occupants and potentially reduce injuries in the event of a collision, the Seltos offers driver and front passenger airbags, two front side airbags, and available side-curtain airbags running the length of the interior on each side.

Stronger through added AHSS

From head to toe, the Seltos makes extensive use of advanced high strength steel (AHSS) throughout its well-reinforced chassis design. The result is exemplary control, dynamic performance, and enhanced occupant protection.

THE ONE CONSTANT IN YOUR BUSY LIFE

EVERY ERRAND BRINGS YOU
THAT MUCH CLOSER TOGETHER

The rugged and welcoming Seltos will become an indispensable companion as it accompanies you throughout your day, meeting friends old and new.

WELCOME TO THE NEXT LEVEL

Why not wear your passion for driving right out in the open? The Seltos GT-Line applies sophisticated design cues inside and out that emphasize the performance attributes of the Seltos. GT-Line presents a refreshingly sporty and luxurious take on the already fresh and athletic Seltos design.

Stylish radiator grille

Sporty door scuffs and 17" alloy wheels

D-cut steering wheel

Center fascia accent

Stainless steel pedals

With its striking exterior accents, the Seltos GT-Line stands apart with a personality all its own. Racing-inspired touches, like the D-cut steering wheel and the stainless pedals with easy-to-grip rubber nubs, help to make the Seltos GT-Line as exciting to drive as it is to look at.

YOUR PRIORITIES ARE OUR COMMAND

The Seltos offer a range of features to meet your needs and preferences. From the exterior lighting to the interior comfort and entertainment options, they are specially catered to you and the people along for the drive.

[01] LED headlamps

Energy-efficient LED headlamps combine the benefits of longevity and immediate, consistent illumination for a clearer view of the road at night.

[02] LED rear lamps

Energy-efficient LEDs in the rear lighting clusters offer immediate illumination and consistent brightness, as well as phenomenal longevity.

[03] Side door molding

Sculpted side molding helps to protect the doors from bumps when they are opened. The molding also adds a strong visual accent, giving the Seltos an aggressive, muscular appearance.

[04] 7 inch TFT LCD Colour Supervision cluster

The 7-inch supervision cluster display between the gauges keeps important information like fuel consumption and driving range easily accessible with just a quick glance.

[05] Steering wheel audio remote

Adjust audio settings using just your thumb for enhanced driving safety.

[06] Electro-chromic mirror

In low lighting conditions, the rearview mirror automatically dims the glare from the headlights of vehicles behind you. Shift into reverse and it automatically switches to the brightest setting.

[07] Single-zone automatic climate control

Auto temperature control lets you select a desired temperature for the system to maintain. A digital readout displays temperature and settings.

[08] Ventilated Front Seats

Stay cool on hot days with subtle airflow-enabling perforations in both the cushion and seatback of the front seats.

[09] Sunshade curtain

Retractable sunshades for the rear-door windows help keep passengers and stowed cargo cool on sunny days.

Sunroof

A sturdy single-panel sunroof tilts and slides out of the way with one simple touch, filling the spacious interior with fresh, cooling breezes while giving occupants a view of the open sky.

Cycle & Carriage Aftersales Service keeps your car in its prime

We care for you the same way we care for our family. Experience the Cycle & Carriage Kia Service spirit as we welcome you at our Kia Authorised Service Centres.

With more than a century in the automotive industry, we can assure you that you will enjoy the most comprehensive customer support and first-class service by well-trained professionals, using state-of-the-art technologies, diagnostic tools and Grade A genuine parts to keep your Kia vehicle running in peak condition. All Kia genuine parts come with 1 year or 20,000km (whichever comes first) warranty.

This is our commitment to you.

Industry-leading warranty

We are confident of the quality and durability of every Kia vehicle, having undergone stringent pre-delivery processes and checks before being delivered in pristine condition. We are so confident that your new Kia car will enjoy a 5-year unlimited mileage warranty and a 10-year engine warranty.

From the date of registration, your new Kia car is covered against defects in materials and workmanship for a period of 5 years of factory unlimited mileage.

On top of that, starting from 1 June 2014, your Kia car will come with a 10-year engine warranty, subject to a maximum mileage of 200,000km or 10 years, whichever is earlier. This engine warranty from Cycle & Carriage will take effect immediately after the expiry of the manufacturer's.
