**ALL-NEW CITROËN
C5 AIRCROSS SUV**

INSPIRED BY YOU

*flexible and comfortable
- a true SUV*

The All-New Citroën C5 Aircross SUV is effortlessly comfortable, with class-leading flexible space. The secret of its everyday functionality and relaxed ambiance is the unique Citroën Advanced Comfort® programme.

the All-New C5 Aircross SUV
simply scan this code
with your smartphone.

elegance with presence

With a muscular profile and plenty of attitude, the All-New Citroën C5 Aircross SUV redefines the feel of its class. Imposing and bold, it's elegantly contemporary in every detail, without a trace of arrogance. At the front, there's the unmistakable and proud double chevron design and powerful curved side panels. The 360° glazed surfaces are highlighted by a dynamic chromed 'C' motif. Rear lights feature four rectangular 3D LED modules, which emphasise the vehicle's broad stance.

*Image shown is the Hype Brown Nappa Leather interior. Available as an option.

the interior, refined

The moment you open the door, you'll sense it. The All-New Citroën C5 Aircross SUV welcomes you with a rare mix of refined comfort and space. Settle in and you'll quickly appreciate the high driving position, great visibility and prestigious feel. The horizontal lines of the dashboard subtly incorporate a range of useful technology, such as the 8" touch screen.

Expressing yourself on the inside is made easier thanks to Metropolitan Ambiance.

Refined and subtle, the Metropolitan Ambiance brings you Grey Grained leather and Graphite cloth seats with a lighter grey band, combined with a centre console and dashboard top in grey, standard for Shine and Shine Plus.

ALL-ROUND RELAXATION

Designed to offer unrivalled comfort and well-being for each passenger, CITROËN ADVANCED COMFORT® provides the best for body and mind. Soft-touch contact points and low noise levels create a sense of calm, while interior space is designed to be stylish and really versatile. The overall ambiance makes journeys feel effortless and intuitive technology gives you fingertip control of the practicalities and unique features.

*panoramic life**

The panoramic glass sunroof makes every journey special whether it's open or closed. Filling the interior with natural light really contributes to the epic views enjoyed from the All-New Citroën C5 Aircross SUV. Powered by two electric motors with a safe auto-reverse function, it's easy to use and also features a handy blind for fine-tuning brightness levels.

** Available in Shine Plus variant*

CITROËN
WORLD
EXCLUSIVE

the flying carpet effect

Exclusively developed by Citroën, the suspension with Progressive Hydraulic Cushions® redefines pure driving comfort. Smoothing away both large bumps and minor surface imperfections, it makes the All-New Citroën C5 Aircross SUV feel like a flying carpet. Stability and dynamics are also assured. Welcome to the best of both worlds.

bumps are history

Ordinary suspension makes do with a shock absorber, a spring and a mechanical bump stop. With Progressive Hydraulic Cushions® you get special hydraulic cushions on either side, for rebound and compression. The result is a ride that takes everything in its stride, smoothly.

When big bumps are encountered, the hydraulic cushions keep suspension movement controlled and progressive.

With minor road imperfections, the cushions simply absorb it all, giving that relaxing flying carpet ride.

CITROËN
WORLD
EXCLUSIVE

Advanced Comfort seats

Taking inspiration from contemporary furniture, the seats in the All-New Citroën C5 Aircross SUV provide unmatched lounge-like comfort on the move. With broad cushions and seat backs, they combine high density foam at the heart of each seat and a thick, textured foam at the surface. Perfect support and softness are guaranteed, on both the shortest trips and the longest adventures.

full-sized rear seats

With three individual rear seats of the same width, the All-New Citroën C5 Aircross SUV provides the same level of comfort and space, wherever you're sitting. They also have the ability to slide up to 150mm. When you need serious carrying capacity, the rear seats fold to reveal a perfectly flat floor.

— *change your space*

You can reconfigure the roomy, flexible interior of the All-New Citroën C5 Aircross SUV to suit your needs. Sliding, reclining and foldable rear seats make it easy.

BOOT VOLUME

CITROËN
C5 AIRCROSS SUV
UP TO
670L

room for everything

The All-New Citroën C5 Aircross SUV has a roomy 580l boot, but this is just the beginning of the story. Move the rear seats to their furthest forward position and you've got up to 670l, giving you the most generous boot in its class. When rear seats are folded there's an amazing 1630l, and thanks to a clever folding mechanism the boot offers 2 perfectly flat floor heights. With the new electric tailgate, accessing all this flexible space is effortless too.

intelligent storage

Part of being truly comfortable when you're travelling is having a perfect place for everything you need. The All-New Citroën C5 Aircross SUV has plenty of useful storage solutions. There is a large compartment under the central armrest, whilst the glove box and door pockets are roomy too. You'll also appreciate the large storage area at the front of the centre console, which features ingenious magnetic wireless charging for a smartphone.

—
*useful technology,
everywhere*

The All-New Citroën C5 Aircross SUV makes sure your digital world is always with you. Giving you great access and control to your systems, there's a crystal clear 12.3" TFT digital instrument panel, which has lots of potential for personalisation.

innovative driving apps

MIRROR SCREEN

This intelligent app uses the touch screen to mirror your smartphone, displaying all driving compatible apps. Depending on your phone model, apps can be controlled by voice, so you can keep your eyes on the road.

The system is compatible with Android Auto, Apple CarPlay™ and MirrorLink®.

11 safety and driver aid systems

ACTIVE SAFETY BRAKE

This is a reassuring safety feature that minimises the risk of collisions. Working from speeds of 3 mph, it detects both fixed or moving obstacles as well as pedestrians. If it detects a collision risk, Active Safety Brake sends an alert to the driver, and if they don't react, the system stops the vehicle automatically.

COFFEE BREAK ALERT

When it's time to take a break, this system sends you a warning. It activates once you've been driving for 2 hours continuously at more than 40 mph.

DRIVER ATTENTION ALERT

By evaluating changes in direction relative to road markings, Driver Attention Alert can analyse driver alertness and send a warning when necessary. It's a useful safety feature; especially on roads where the speed limit is over 40 mph.

ACTIVE LANE DEPARTURE WARNING SYSTEM

Really useful on multi-lane roads, this monitoring system warns you if there's a vehicle in your blind spots, using an orange LED in the corner of the door mirror. If you're headed for the detected vehicle, it will correct your position automatically.

SPEED LIMIT RECOGNITION AND RECOMMENDATION

Keeping you fully informed of speed limits at all times, this innovation uses a camera to detect signs, so that you can adjust your cruise control or speed limiter to match. It also detects Stop, One Way and No Overtaking signs.

KEYLESS ENTRY AND STARTING

Convenient and ingenious, you can now lock and unlock without even taking your key out. The vehicle recognises you as you approach.

11 safety and driver aid systems

ELECTRIC PARKING BRAKE

Safe and easy, the Electric Parking Brake applies automatically when the engine is switched off and releases when you move away. You can also use it manually using the control paddle.

PARK ASSIST*

Perfect for parallel or bay parking, this system can detect a space, then automates the steering to park in complete safety. All you need to do is engage the gears and control the accelerator and brake.

* Available in Shine Plus variant

REVERSING CAMERA WITH TOP REAR VISION*

Engage reverse and the camera displays a 180° rear view on your touch screen. Additional coloured lines make the position of obstacles clearer, and when you approach them, the camera zooms in automatically.

* Available in Shine Plus variant

HILL START ASSIST

Designed to prevent unwanted movement when you release the brake pedal on slopes, Hill Start Assist works on gradients over 3%. It holds the vehicle for about 2 seconds, giving you time to move calmly from brake to accelerator pedal.

FOG LIGHTS WITH STATIC CORNERING FUNCTION

Providing an additional light beam on the inside of bends, this innovation makes tricky bends and junctions safer and easier to navigate.

— *smooth changes,
extra efficiency*

The All-New Citroën C5 Aircross SUV is available in the latest EAT8 automatic with 8 speeds. More fuel efficient than ever, it's also a joy to use, providing incredibly smooth shifts between gears. You can also change gears manually if you want to, using the steering wheel mounted paddles, slipping seamlessly back to automatic whenever you wish.

the latest petrol power

Featuring the latest advances for maximum driving pleasure, the All-New Citroën C5 Aircross SUV is available in 180ps.

CITROËN CARE

At Cycle & Carriage, we take pride in the competence of our after-sales staff, who are well-trained and fully qualified to look after your CITROËN vehicle. Our team is always kept up-to-date with the latest developments in the automotive industry, thanks to a rigorous ongoing training programme conducted by our in-house trainers, as well as trainers from the Manufacturer.

With more than a century-long history in the automotive industry in Singapore, you can entrust your vehicle to Cycle & Carriage, knowing that we use the latest recommended diagnostic system – Diagbox, from the Manufacturer. We also use Grade A genuine parts and the right specifications of lubricants and consumables, so as to keep your CITROËN vehicle running at its optimal condition. This is especially important in a hot and humid climate like Singapore.

FOR ADDED PEACE OF MIND, ALL CITROËN CARS COME WITH A TOTAL OF 3 + 2 YEARS/200,000KM WARRANTY (WHICHEVER IS EARLIER).

For more information on after-sales service and hassle-free booking, please log on to www.aftersales.cycleandcarriage.com.sg

This brochure is intended to demonstrate the general appearance of the CITROËN C5 AIRCROSS. Some of the photographs depict left-hand drive vehicles whose specifications may not necessarily conform to vehicles imported into Singapore. Cycle & Carriage France Pte Ltd reserves the rights, whilst preserving the essential characteristics of the models described, to introduce at any time modifications and changes of details, equipment or accessories considered necessary.
