Exceptional Journeys

THE FREEDOM TO DO IT ALL

BECAUSE YOU CAN, WITH THIS ECO-FRIENDLY SEDAN

From outstanding fuel economy and easy manoeuvrability, to a roomy interior and features usually reserved for higher car classes – it's all here to enhance your driving pleasure. So whether you're just doing a late-night supermarket run or running errands all weekend, the Attrage will go the distance with you – in comfort and style.

DARK CHROME FRONT GRILLE
Just the right touch of elegance to make this sedan a class above the rest.

FRONT FOG LAMP
Dynamic styling with a progressive chrome bezel.

DARK CHROME 15-INCH ALLOY WHEEL
Refreshingly stylish wheels add an eye-catching accent.

IT'S ALL ABOUT YOUR COMFORT

CLASS-LEADING INTERIOR SPACE

Welcome to a space where you enjoy ample roominess for optimal comfort. The simple yet stylish interior surrounds you and your passengers with quality materials, smooth flowing lines and a seamless fit and finish that conveys quality craftsmanship. Soft yet supportive seating, thoughtful amenities and attractive features like silver accents further enhance your driving pleasure. In the Attrage, travelling is always a relaxing and enjoyable experience.

PEOPLE-CENTRED DESIGN

The Attrage puts people first. Mitsubishi Motors refined every last detail to create an interior that maximises passenger space, meets practical needs and satisfies your emotions. A longer wheelbase translates to generous legroom, giving you ample spaciousness. From supportive headrests and ergonomic controls, it will please you and your passengers to a surprising degree. Sit back, relax and enjoy the ride.

AMENITIES

LARGE TRUNK

Large and easy to load, the trunk offers a surprisingly large storage capacity of 450 litres (measured by VDA method).

CENTRE CUP HOLDER

This conveniently centred cup holder keeps large beverages within easy reach.

SEATBACK POCKET

Place your maps where you can easily find them whenever the need arises.

CONVENIENCE HOOK

Shopping bags stay upright when hooked behind the seat.

GLOVE BOX AND TRAY

Spacious enough to fit small items like sunglasses and coins, as well as bulkier items like cameras.

FRONT DOOR POCKET

The perfect place to keep personal items while you drive.

FLOOR CONSOLE CUP HOLDERS

Keep drinks within easy reach of you and the front passenger.

SPACE FOR ALL THAT MATTERS

AMENITIES

COMBINATION METER CLUSTER WITH SILVER GARNISH

Housing a white illuminated display, the meters are now even clearer and easier to read. Accompanied by a tachometer and silver garnish. Brightness is adjustable.

MULTI-INFORMATION DISPLAY

USB PORT
Designed for easy connection with digital audio players, etc.

POWER DOOR MIRROR
Handy controls make it easy to achieve the right viewing angle.

SIDE TURN LAMP ON DOOR MIRROR
By clearly signalling intentions, you enhance your driving safety.

HEIGHT-ADJUSTABLE DRIVER'S SEAT
Adjust the height of the driver's seat to suit your preference.

INNER DOOR HANDLE
Stylish handles give the doors an attractive silver touch.

HANDS-FREE SYSTEM AND AUDIO CONTROLS
Convenient controls for the audio system are mounted on the steering wheel for easy-to-reach access.

FITTED FOR YOUR CONVENIENCE

▲ AUTOMATIC AIR-CONDITIONER

Comfortable cabin temperatures are yours to enjoy all year round.

FUEL EFFICIENCY

 **ECO** 
20.4km/ℓ

The lightweight body and smooth aerodynamics contribute to class-leading fuel efficiency, as well as smooth and stable acceleration. Travelling is more affordable, eco-friendly and enjoyable in the Attrage.

OUTSTANDING AERODYNAMIC PERFORMANCE

The Attrage is streamlined based on advanced computer simulation to slip through the wind and lower noise, raise fuel efficiency and enhance handling stability.

LIGHTWEIGHT BODY

The weight-optimised body is one of the lightest in its class, thanks to the ample use of high-tensile steel that also offers impressive strength and rigidity that contribute to safety and excellent handling.

ECO LAMP

This lamp illuminates whenever you operate the accelerator pedal in an eco-friendly way. It encourages you to develop good driving habits that lower fuel costs and contribute to a cleaner environment for everyone.

INVECS-III CVT

The INVECS-III (Intelligent & Innovative Vehicle Electronic Control System III) CVT wide-ratio transmission maintains optimal rpm for high performance and fuel economy. You'll enjoy smooth acceleration and deceleration, as well as efficiently selected gear ratios in all driving conditions.

GO FURTHER FOR LESS

▲ 1.2ℓ DOHC 12-VALVE MIVEC ENGINE

When you demand acceleration, the Attrage responds with spirited torque and horsepower while maintaining impressive fuel economy.

MITSUBISHI INNOVATIVE VALVE TIMING ELECTRONIC CONTROL SYSTEM (MIVEC)

Intake valve timing is continuously optimised in response to driving conditions to ensure smooth powerful response at all times.

CONVENIENCE & SAFETY

KEYLESS OPERATION SYSTEM (KOS)

Operating the doors is especially easy. Just by carrying the keyless operation key in your bag or pocket, you can press the outer button on the driver's door or trunk to open or lock it within 70 cm of the vehicle. Alternatively, press the engine switch to start or stop the engine.

MINIMUM TURNING RADIUS

An extremely tight turning radius, one of the smallest in its class, makes the Attrage easy to manoeuvre through narrow city streets and crowded parking lots. Drivers of every experience level will find the Attrage simple to handle.

ETACS (Electronic Time and Alarm Control System)

HEADLIGHT AUTO OFF FUNCTION

After switching off the ignition and stepping out of the car, the headlights automatically turn off to help conserve battery power.

LANE CHANGE TURN SIGNAL SYSTEM

When changing lanes, you can lightly touch the signal lever to flash the turn signal three times. Flashing is also indicated on the instrument panel.

AUTO SPEED ADJUSTABLE WIPERS

In the Timing mode, the window wipers operate normally at vehicle speeds below 60 km/h and faster at higher vehicle speeds.

OPEN DOOR ALARM

An alarm sounds automatically if you start driving while a door remains partially or fully open.

15-SECOND INTERIOR LIGHT DELAY

After removing the ignition key from the cylinder, the interior light remains on for 15 seconds to allow scanning for possessions before exiting.

AUTO DOOR RELOCK SYSTEM

Within 30 seconds of pressing the unlock button from outside the vehicle, this system will automatically relock all doors if none have been opened.

DELAYED-ACTION POWER WINDOW OPEN/CLOSE SYSTEM

Even after shutting off the engine, the power windows can be opened or closed for 30 seconds (before opening the door).

CLASS-LEADING 6 AIRBAGS

In the event of a collision, front, side and curtain airbags will activate to protect the occupants by absorbing the force of impact.

LED HIGH-MOUNT STOP LAMP

An LED stop lamp is mounted in the rear window to enhance safety by clearly indicating your braking intentions to drivers behind you.

POWER WINDOWS

The driver's side window can be raised or lowered with a single touch and features an anti-trap mechanism for safety.

ANTI-LOCK BRAKE SYSTEM (ABS)

The four-wheel Anti-lock Brake System helps prevent the wheels from locking up during emergency braking so you can maintain greater steering control, even on slippery roads.

PRETENSIONERS

Pretensioners on the front seatbelts automatically tighten the belts in the event of a frontal collision to help restrain the driver and front passenger, and reduce the force of impact when the front airbags are deployed.

IMMOBILIZER

The engine can only be started when a dedicated key with matching authentication code is used. This advanced security system effectively prevents vehicle theft.

RISE BODY

To protect you and your passengers, the Attrage features a solid RISE (Reinforced Impact Safety Evolution) body constructed of high tensile strength steel that effectively absorbs and disperses crash energy from all directions while also significantly reducing overall weight.

ELECTRONIC BRAKE-FORCE DISTRIBUTION (EBD)

Electronic Brake-force Distribution distributes braking force to all four wheels to enhance braking performance.
